

I would like to take this opportunity to thank you, the voters of School District #11 for giving me the privilege to serve you for the next four years.

A special thank you to all the people who worked on my behalf during the campaign.

I would also like to thank the Chronicle, WHPO and Just the Facts for their excellent election coverage.

I will work hard to make sure that all the students receive the best possible education. Every decision I make will always be based on what's best for students and at the same time is affordable. Thanks a lot.
